Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

OLD ZOO & PARKING LOT

- **OK to film at Old Zoo – upper and lower area.**
- **NOT allowed to film along trails at any time.**
- **MUST be a cast and crew of 14 people and under. If students are found to exceed that amount, permit will be void and Park Rangers have the authority to shut down production immediately.**
- **Does not have exclusive use of any part of the park or parking lots at any time.**
- **Must work around and not interfere with park patrons, park staff, or maintenance activities.**
- **No blocking or restricting access to park area entrances, exits and/or parking lots.**
- **Equestrians, park patrons and maintenance staff have the right of way at all times.**
- **OK for 2 minute standard IPC while the camera is rolling.**
- **NOT allowed to film any park patron unless given written or verbal consent.**
- **MUST leave area clean or better once all filming activity has concluded at the park.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- **A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.**

NOT A PERMIT

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
3/22/2012

- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.

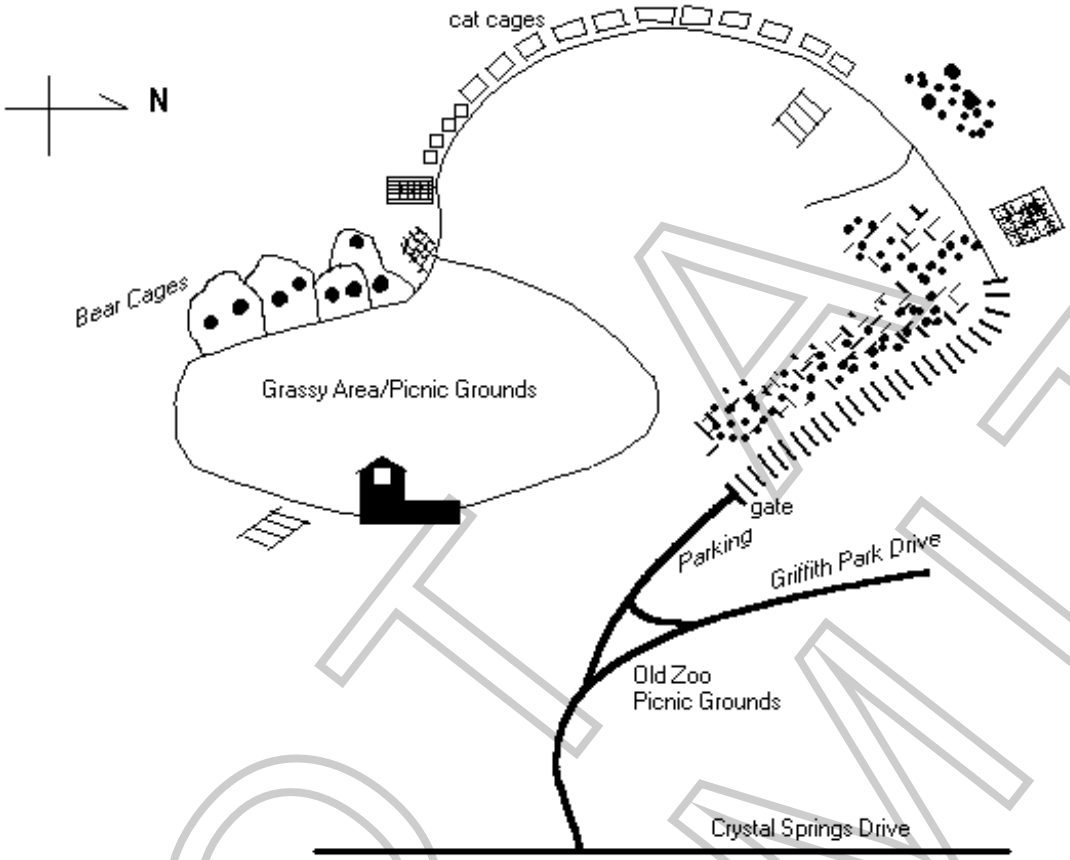
UNIVERSITY OF SOUTHERN CALIFORNIA – THE WELL (GRIFFITH PARK – OLD ZOO & PARKING LOT)

NOT A PERMIT

THE OLD ZOO FILMING GUIDELINES



All vehicles to remain on paved loop. No heavy equipment allowed on grass. (E.g. condors, cranes, musco lights, scissor lifts). Turf vehicles may be used if conditions allow.

Picnic tables and BBQ's can be disassembled and removed at Film Company's expense. Film Monitor will be required for disassembly and reassembly.

No drilling into bear cave walls or stones. Okay to dig post holes on cave floors.

Any welding of Park property is subject to prior approval.

Plant life can only be cut with Park Maintenance Supervisor's approval.

No staking into grass.

Emergency access must be kept at all times. Work trucks allowed on one side of loop road only. Back service road must remain open at all times, except when camera is rolling. Gate road open at all times.

Crew parking and/or base camp is allowed in lower parking lot. Must park on one side of road only. Must leave the 10 spaces at the triangle at the entrance to parking lot open for park patrons. Larger companies are to reserve the MGR parking lots for additional parking.
